FOR IMMEDIATE RELEASE

January 17, 2012

Alamo RMA Construction closure for the US 281 / Loop 1604 Interchange project

(San Antonio) – Weather permitting, the following closure will occur for the US 281/ Loop 1604 Interchange Project.

Loop 1604 Westbound Frontage and Main Lane Closure

Closure: The Loop 1604 westbound left frontage lane and Loop 1604 westbound right main lane will be closed from the US 281 bridge to the Loop 1604 Stone Oak exit ramp. For safety, and if necessary the Loop 1604 westbound main lanes will be temporarily closed at times to allow construction crews to place the concrete beams.

Date/Time: Tuesday, January 17 – Monday, January 23, 2012. This night closure is from 10:00 p.m. - 5:00 a.m.

Activity: Construction crews will set the concrete beams for the US 281 North to Loop 1604 West direct connector.

Detour: For temporary closure of the Loop 1604 westbound main lanes, traffic will exit Loop 1604 westbound main lanes at the US 281 Exit Ramp and enter Loop 1604 westbound main lanes at the entrance ramp east of Stone Oak.

About the Alamo Regional Mobility Authority

Overseen by a seven-member Board of Directors, the Alamo RMA includes a professional staff and consultant team that are committed to finding ways to empower our local community to take charge of our transportation future. The purpose of the Alamo RMA is to provide Bexar County with opportunities to accelerate needed transportation projects - through the direction of a local board making local choices about local mobility needs - that enhance the quality of life and economic growth for all residents in our region
