

Loop 1604 Underpass Project Open House and Public Meeting

Welcome!

On behalf of the Alamo Regional Mobility Authority, thank you for joining us this evening to review the proposed improvements for the Loop 1604 Underpass Project and to offer your comments as part of the official record of this project.

Please visit each of the stations to learn more about the project, ask questions and please provide us with your comments. Tonight a formal presentation about the project will be given at 6:45 p.m. and 7:45 p.m. At the conclusion of the formal presentation, the Open House will be staffed for any additional questions you may have about this proposed project.

Stations

- General Overview of Schematics**
Take a look at the overall project, what it is designed to accomplish and how it can change how you use the Loop 1604 with the addition of an underpass at SH 151.
- Environmental Questions and Concerns**
Ever wondered what type of studies and information are examined when we engage in environmental studies for transportation projects? This station will focus on the environmental studies and results based on the proposed interchange. A copy of the draft Categorical Exclusion is also available for review at this station.
- Presentation**
The Alamo RMA will be presenting a formal presentation on the proposed improvements, and environmental document for this project starting at 6:45 p.m. and the presentation will be repeated at 7:45 p.m. This presentation is estimated to take approximately 20 minutes.
- Transportation Partners**
We have invited our transportation partners to share information on their current and upcoming projects.
- Court Reporter/ Comment Boxes**
If you would like to have your comments taken by a court reporter, please visit this table. To submit your written comments, please use the white boxes marked "Comments."

Again, thank you for joining us this evening. There is an evaluation form on the back that we ask you to complete and leave with us.

OPTIONAL: So that we can continue to remain in touch with you during this project, please provide the following:

Name: _____ **Phone:** _____

Email: _____

Address: _____

What would be the best way to provide you with follow up information?
