ALAMO RMA

Alamo Regional Mobility Authority

"Moving people faster"

The Alamo Regional Mobility Authority (Alamo RMA) ha organizado una reunión comunitaria sobre la propuesta relacionada a las obras de intercambio entre US 281/ Loop 1604, el Martes 25 de Agosto, 2009.

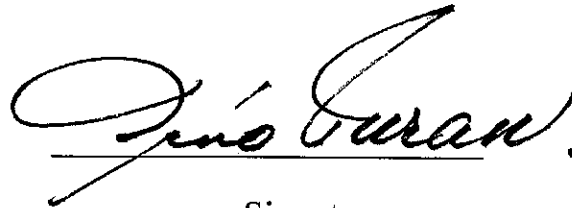

La reunión comunitaria no tendrá una presentación formal, pero permitirá que los asistentes puedan platicar con los ingenieros encargados del diseño de este proyecto y también conocer de las mejoras propuestas para el intercambio de US 281 con Loop 1604.

ANUNCIO DE REUNION PUBLICA - US 281 EIS

La Autoridad Regional Alamo para la Movilidad (Alamo RMA por sus siglas en inglés) tendrá una reunión pública para explorar y detectar las necesidades ("scoping meeting" en inglés) respecto a los mejoramientos para la carretera US 281 de Loop 1604 a Borgfeld Rd. La Alamo RMA está preparando una Declaración de Impactos Ambientales (EIS por sus siglas en inglés), de acuerdo con el Acta Nacional de Política Ambiental de 1969 (conocido en inglés como NEPA) para analizar los posibles efectos directos, indirectos y acumulativos al medio ambiente humano y natural de la construcción y operación de mejoramientos propuestos al transporte.

Se anima al público asistir a esta primera reunión del público de la EIS para explorar y determinar las necesidades el jueves, 27 de agosto de 2009 en cualquier momento entre las 5:30 p.m. y las 8:00 p.m. en el gimnasio de la iglesia católica St. Mark the Evangelist. 1602 Thousand Oaks Drive, San Antonio, Texas 78232. La reunión efectuará el formato de una exhibición abierta al público (open house) con una variedad de materiales disponibles a la vista. Miembros del equipo del proyecto estarán presentes para dialogar cuestiones y responder a preguntas respecto al proyecto propuesto y el proceso de la EIS.

El propósito de esta reunión es de introducir el proyecto propuesto al público, presentar la necesidad y propósito preliminar, presentar alternativas preliminares, y obtener información del público sobre asuntos y preocupaciones importantes, incluyendo opciones para mejorar la movilidad dentro del corredor de la carretera US 281.

El público tendrá la oportunidad de hacer comentarios por escrito o orales que serán incluidos en el registro público oficial de la EIS. Comentarios por escrito serán recibidos hasta martes, el 8 de septiembre de 2009, éste incluido. Si Ud. no puede asistir a la reunión para explorar y determinar las necesidades, favor de entregar sus comentarios por escrito a Leroy Alloway, Director, Community Relations, Alamo Regional Mobility Authority, 1222 N. Main Avenue, Ste 1000, San Antonio, Texas 78212. También se puede mandar los comentarios por fax a la Alamo RMA al 210-495-5403 o por correo electrónico a US281EIS@AlamoRMA.org.

Se anima su participación en este paso importante del proceso público de la EIS. Apreciamos su interés en este proyecto propuesto y esperamos que Ud. asistirá a esta primera reunión pública para explorar y determinar necesidades. Todas las exhibiciones y documentos distribuidos del proyecto serán presentados en inglés, y miembros hispanoparlantes del equipo estarán disponibles. Si le interese asistir a la reunión y tiene necesidades especiales de comunicación o para acomodarse o si gusta ser incluido en la lista de contactos para este proyecto, favor de comunicarse con Leroy Alloway al (210) 495-5256 antes del jueves, 20 de agosto de 2009. La Alamo RMA hará todo esfuerzo razonable para acomodar sus necesidades. Para más información respecto a la carretera US281 y el proyecto de la EIS, favor de visitar el sitio web www.411on281.com.

AVISO DE REUNIÓN

La Jefatura de Transportación Regional de RMA, por sus siglas en inglés) realizará un estudio ambiental al público para la preparación de lo que se denominará Categorical Exclusion (CE) de las modificaciones necesarias para el mejoramiento en la construcción de cuatro proyectos en la parte sur del U.S. 281 Norte / Loop 1604 (conocido como el Proyecto). El Proyecto incluye todas las modificaciones necesarias para el mejoramiento del Loop 1604 en sus líneas principales y caminos de acceso, permitan la entrada y salida en forma segura y hacia ambas importantes vías de comunicación del proyecto van de desde Bitters Rd. A Red Land Road al Loop 1604 (Aproximadamente 6 millas) y U.S. 281 Norte (Aproximadamente 1 milla). El Proyecto será pagado con los fondos que provienen del American and Reinvestment Act of 2009 (Acta de Estímulo Federal) y fondos del Departamento de Transportación de Texas del Programa "Proposition 5.1".

Información relacionada al proyecto puede ser encontrada en www.AlamorMA.org.

La reunión mencionada se llevará a cabo:

Martes, Agosto 25, 2009
Harvest Fellowship
Community Church
1270 North Loop 1604 East
San Antonio, Texas 78232

Esta sesión pública, se llevará a cabo de 9:00 a.m. a 1:00 p.m. No habrá una presentación formal de esta reunión.

El propósito de esta reunión comunitaria es proporcionar información del estudio ambiental recientemente realizado del Proyecto de Bitters a Red Land Road y Bitters al Loop 1604 sobre U.S. 281 Norte. La reunión es una oportunidad para que el público presente información adicional sobre las propuestas del Proyecto, para permitir identificar y explicar los impactos del Proyecto al ambiente natural, social y económico que resultarán como resultado del Proyecto propuesto.

Todos los ciudadanos interesados en asistir a esta reunión están invitados a participar aportando sus comentarios verbales o escritos sobre este Proyecto. De igual manera, los asistentes podrán tener la oportunidad de hacer preguntas visuales relacionados con este tema y hacer comentarios al respecto. Los comentarios por escrito no presentados en esta reunión pueden enviarse a la siguiente dirección: Alamo Regional Mobility Authority, 1222 North Main Avenue, Ste 1000, San Antonio, Texas 78212, Attn: U.S. 281 Interchange Project. Fax: (210) 495-5403 o por correo electrónico a change@AlamoRMA.Org. **Todos los comentarios deben tener sello de correo o recibirse antes de las 5:00 p.m. de la tarde del viernes cuatro de Septiembre de 2009 para que puedan ser incluidos en el registro público.**

Las personas interesadas en atender estas necesidades requerirán de servicios especiales de comunicación. Si usted necesita una interpretación pueden contactar a Joelle Sierra al (210) 495-5403 por lo menos dos días hábiles, antes del evento. Los arreglos correspondientes. La reunión será en inglés, para ello se requiere que cualquier intérprete en otro idioma u otras necesidades de comunicación especial sean solicitadas con anticipación por lo menos dos días hábiles antes de la reunión y lo posible para atenderlas.

**NOTICE OF
PUBLIC
MEETING**

The Alamo Regional Mobility Authority (AlamoRMA) will conduct an Open House/Public Meeting relating to the preparation of a Categorical Exclusion (CE) for the proposed improvements to construct the southern four direct connectors of the U.S. 281 North/Loop 1604 interchange (the "Project"). The Project will also include all necessary modifications to the U.S. 281 North and Loop 1604 main lanes and frontage roads to allow for the safe entrance and exit of the direct connector traffic to and from these roadways. The limits for the Project extend from approximately Bitters to Red Land Road on Loop 1604 (approximately 6 miles) and Bitters to Loop 1604 on U.S. 281 North (approximately 3 miles). The Project will be paid for with funds from the American Recovery and Reinvestment Act of 2009 (the Federal stimulus program) and funds from Texas Department of Transportation's Proposition 14 Bond program.

Information regarding the Project can be viewed at www.AlamoRMA.org.

The community open house will be held:
Tuesday,
August 25, 2009
Harvest Fellowship
Community Church
1270 North Loop
1604 East
San Antonio TX 78232

The open house will be held from 6 p.m. until 9 p.m. No formal presentation will be made as part of this open house.

The purpose of the community open house is to discuss the environmental study currently being conducted from approximately Bitters to Red Land Road on Loop 1604 and Bitters to Loop 1604 on U.S. 281 North, as it relates to the proposed Project, and to provide additional information on the proposed Project. The environmental study will identify and explain potential changes to the natural, social, and economic environment that could occur as a result of the proposed Project.

All interested citizens are invited to attend the community open house and provide verbal or written comments on this Project. Citizens will also be afforded an opportunity to view project exhibits and ask questions at the community open house. Written comments not provided at the community open house should be submitted to the following address:

Alamo Regional
Mobility Authority,
1222 North Main
Avenue, Suite 1000,
San Antonio, Texas
78212, Attn: U.S.
281/Loop 1604
Interchange Project.
Fax: (210) 495-5403
or email:

[Interchange@
AlamoRMA.org](mailto:Interchange@AlamoRMA.org).
All comments must be
postmarked or
received by 5 p.m.
Friday, September 4,
2009, to be included
in the public record.

Persons interested in attending this community open house who have special communication or accommodation needs should contact Joelle Sierra at (210) 495-5256, at least two (2) working days prior to the meeting so that appropriate arrangements can be made. Because the community open house will be conducted in English, any request for language interpreters or other special communication needs should also be made at least two (2) working days prior to the meeting. Every reasonable effort to accommodate these needs will be made.

Alamo Regional Mobility Authority had a great community open house, with multiple ways for the public to submit comments on the proposed US 281 / Loop 1604 Interchange - if you missed it, check the website on Wednesday for copies of all information handed out, www.AlamoRMA.org

Application for Use of State of Texas Right of Way for Temporary Signs for Special Events

Please print or type information

Date: August 10, 2009

To the Texas Department of Transportation (TxDOT)
c/o Area Engineer San Antonio, Texas

This form must be received at least 7 days prior to proposed use on the right of way.

Applicant Alamo Regional Mobility Authority proposes to place a sign within the right of way of Highway US 281 and Loop1604 Location (1) Northbound on US 281 between Bitters and Brookhollow

(2) Southbound on US 281 between Loop 1604 and Donella - on frontage road (3) Loop 1604 eastbound between Stone Oak and Interchange and (4) Loop 1604 Westbound between Redland and Gold Canyon
in Bexar County, Texas.

Check here for placement of multiple signs and submit the information requested on the Supplemental Sheet.

The temporary structure/vehicle will be placed 6' feet from the roadway and will have the following characteristics:

Mounting Height 7' Thickness N/A

Sign Dimensions (Height, Width, Length) H 162" W 79.5" L 190"

Sign Material Metal

Sign Support Dimensions See above

Sign Support Material Steel pipe

Proposed Text Screen 1 - 281/1604 (LB) Interchange (LB) Open House Screen 2 - 8/25/2009 (LB) 6-9 p.m. (LB) AlamoRMA.org Screen 3- Harvest (LB) Fellowship (LB)AlamoRMA.org

Background Color Black Legend Color Amber

The right of way will be used FROM DATE August 17, 2009 TO DATE August 26, 2009
(maximum of 60 days) and the nature of the event is Community Open House (public meeting) concerning the US 281 at Loop 1604 Interchange Project

The sponsor of the event, if applicable, is Alamo Regional Mobility Authority

I will avoid or minimize impacts, and will, at my own expense, restore or repair damage resulting from this event.

I will be responsible for any damages or accidents that may occur during the term of this permit and save TxDOT and the State of Texas harmless.

I will abide by all applicable federal, state and local environmental laws, regulations, ordinances, and any conditions or restrictions required by TxDOT to protect natural and cultural resources of the right of way.

If this event causes hazardous traffic conditions to develop, I will cease the activity until corrective measures have been implemented.

It is expressly understood that TxDOT reserves the right to enforce the terms and conditions that it may deem necessary for the protection of the transportation facility and safety of the traveling public.

By signing below, I agree to the conditions/provisions included in this application. I am authorized to sign on the behalf of the organization holding the event.

Signs must be constructed of heavy cardboard, plastic, fabric mesh or plywood, no thicker than ¼ inch.

An approved sign must not:

- exceed 16 square feet in placed on the roadside to inform the traveling public;
- exceed four square feet if used to guide participants in a bicycle or pedestrian event;
- extend more than three feet beyond the pavement edge if the sign is a banner; or
- imitate or resemble any official traffic sign, signal, or device.

An approved sign may not be placed:

- in a location where it may prevent the driver of a vehicle from having a clear and unobstructed view of official signs and approaching or merging traffic;
- on any highway appurtenances, including, but not limited to bridges, traffic control devices, official signs, sign supports, and light standards, poles, and delineators;
- on a tree or other natural feature;
- less than 18 ½ feet (clear) above the pavement if the sign is a banner placed over the pavement; or
- closer to the pavement edge than official highway signs, except for those signs used to guide participants in a bicycle or and pedestrian event.

TxDOT reserves the right to remove a sign if it becomes a hazard due to inclement weather, inadequate maintenance, accidental damage, or other hazardous cause. A sign approved for temporary use may not be erected more than 24 hours prior to the event. However, if the sign is a banner it may be installed no more than 30 days prior to the event.

It is understood that a sign must be removed within 24 hours of the completion of the event; except banners shall be removed within seven days of the completion of the event. A special event sign not removed within the allotted time is subject to removal by TxDOT and the applicant is liable for removal and disposal costs.

It is expressly understood that TxDOT does not purport, hereby, to grant any right, claim, title, or easement in or upon this highway. In the event the party fails to comply with any or all of the requirements as set forth herein, the approval may be revoked and TxDOT may take appropriate action.
