The Honorable Carlos Uresti  
State Senator, District 19  
2530 SW Military Drive Ste 103  
San Antonio, TX 78224

Dear Senator Uresti,

On behalf of the Alamo Regional Mobility Authority (Alamo RMA) I am proud to announce that we will be holding a Community Open House on the proposed US 281 and Loop 1604 Interchange, a project funded by the American Recovery and Reinvestment Act of 2009 and funding from Proposition 14 bonds on behalf of the State of Texas, on Tuesday, August 25, 2009. The Community Open House will allow attendees a chance to speak directly with project engineering staff and have their questions and concerns addressed in an open two way dialogue.

The Alamo RMA will have multiple stations at this Community Open House to help share information on the potential impact of this project, the proposed improvements, and to address questions and concerns raised by those in attendance.

We look forward to seeing you on August 25, 2009 for the Community Open House and would ask that you please encourage the neighborhood associations and community organizations you and your office works with to attend as well.

The Honorable Joe Farias  
State Representative, District 118  
660 SW Military Drive Suite L  
San Antonio, TX 78221

Dear Representative Farias ,

On behalf of the Alamo Regional Mobility Authority (Alamo RMA) I am proud to announce that we will be holding a Community Open House on the proposed US 281 and Loop 1604 Interchange, a project funded by the American Recovery and Reinvestment Act of 2009 and funding from Proposition 14 bonds on behalf of the State of Texas, on Tuesday, August 25, 2009. The Community Open House will allow attendees a chance to speak directly with project engineering staff and have their questions and concerns addressed in an open two way dialogue.

The Alamo RMA will have multiple stations at this Community Open House to help share information on the potential impact of this project, the proposed improvements, and to address questions and concerns raised by those in attendance.

We look forward to seeing you on August 25, 2009 for the Community Open House and would ask that you please encourage the neighborhood associations and community organizations you and your office works with to attend as well.

Austin, TX 78701

Dear Commissioner Underwood,

On behalf of the Alamo Regional Mobility Authority (Alamo RMA) I am proud to announce that we will be holding a Community Open House on the proposed US 281 and Loop 1604 Interchange, a project funded by the American Recovery and Reinvestment Act of 2009 and funding from Proposition 14 bonds on behalf of the State of Texas, on Tuesday, August 25, 2009. The Community Open House will allow attendees a chance to speak directly with project engineering staff and have their questions and concerns addressed in an open two way dialogue.

The Alamo RMA will have multiple stations at this Community Open House to help share information on the potential impact of this project, the proposed improvements, and to address questions and concerns raised by those in attendance.

We look forward to seeing you on August 25, 2009 for the Community Open House and would ask that you please encourage the neighborhood associations and community organizations you and your office works with to attend as well.

The Honorable James Rindfuss  
Board Member, Alamo College District  
201 W. Sheridan, Bldg. B, Room 111  
San Antonio, Texas 78204

Dear Mr. Rindfuss,

On behalf of the Alamo Regional Mobility Authority (Alamo RMA) I am proud to announce that we will be holding a Community Open House on the proposed US 281 and Loop 1604 Interchange, a project funded by the American Recovery and Reinvestment Act of 2009 and funding from Proposition 14 bonds on behalf of the State of Texas, on Tuesday, August 25, 2009. The Community Open House will allow attendees a chance to speak directly with project engineering staff and have their questions and concerns addressed in an open two way dialogue.

The Alamo RMA will have multiple stations at this Community Open House to help share information on the potential impact of this project, the proposed improvements, and to address questions and concerns raised by those in attendance.

We look forward to seeing you on August 25, 2009 for the Community Open House and would ask that you please encourage the neighborhood associations and community organizations you and your office works with to attend as well.

Dear Roberto Board Member, District 2,

On behalf of the Alamo Regional Mobility Authority (Alamo RMA) I am proud to announce that we will be holding a Community Open House on the proposed US 281 and Loop 1604 Interchange, a project funded by the American Recovery and Reinvestment Act of 2009 and funding from Proposition 14 bonds on behalf of the State of Texas, on Tuesday, August 25, 2009. The Community Open House will allow attendees a chance to speak directly with project engineering staff and have their questions and concerns addressed in an open two way dialogue.

The Alamo RMA will have multiple stations at this Community Open House to help share information on the potential impact of this project, the proposed improvements, and to address questions and concerns raised by those in attendance.

We look forward to seeing you on August 25, 2009 for the Community Open House and would ask that you please encourage the neighborhood associations and community organizations you and your office works with to attend as well.

Dear Ms. Hoyl,

On behalf of the Alamo Regional Mobility Authority (Alamo RMA) I am proud to announce that we will be holding a Community Open House on the proposed US 281 and Loop 1604 Interchange, a project funded by the American Recovery and Reinvestment Act of 2009 and funding from Proposition 14 bonds on behalf of the State of Texas, on Tuesday, August 25, 2009. The Community Open House will allow attendees a chance to speak directly with project engineering staff and have their questions and concerns addressed in an open two way dialogue.

The Alamo RMA will have multiple stations at this Community Open House to help share information on the potential impact of this project, the proposed improvements, and to address questions and concerns raised by those in attendance.

We look forward to seeing you on August 25, 2009 for the Community Open House and would ask that you please encourage the neighborhood associations and community organizations you and your office works with to attend as well.

Dear Mr. Longoria ,

On behalf of the Alamo Regional Mobility Authority (Alamo RMA) I am proud to announce that we will be holding a Community Open House on the proposed US 281 and Loop 1604 Interchange, a project funded by the American Recovery and Reinvestment Act of 2009 and funding from Proposition 14 bonds on behalf of the State of Texas, on Tuesday, August 25, 2009. The Community Open House will allow attendees a chance to speak directly with project engineering staff and have their questions and concerns addressed in an open two way dialogue.

The Alamo RMA will have multiple stations at this Community Open House to help share information on the potential impact of this project, the proposed improvements, and to address questions and concerns raised by those in attendance.

We look forward to seeing you on August 25, 2009 for the Community Open House and would ask that you please encourage the neighborhood associations and community organizations you and your office works with to attend as well.

Assistant Executive Director for District Operations, Texas Department of  
Transportation  
125 East 11th Street  
Austin, TX 78701

Dear Mr. Casteel, P.E. ,

On behalf of the Alamo Regional Mobility Authority (Alamo RMA) I am proud to announce that we will be holding a Community Open House on the proposed US 281 and Loop 1604 Interchange, a project funded by the American Recovery and Reinvestment Act of 2009 and funding from Proposition 14 bonds on behalf of the State of Texas, on Tuesday, August 25, 2009. The Community Open House will allow attendees a chance to speak directly with project engineering staff and have their questions and concerns addressed in an open two way dialogue.

The Alamo RMA will have multiple stations at this Community Open House to help share information on the potential impact of this project, the proposed improvements, and to address questions and concerns raised by those in attendance.

We look forward to seeing you on August 25, 2009 for the Community Open House and would ask that you please encourage the neighborhood associations and community organizations you and your office works with to attend as well.

The Honorable Robert Blunt, Jr.  
Trustee, Northside ISD  
5900 Evers Road  
San Antonio, TX 78238

Dear Mr. Blunt, Jr.,

On behalf of the Alamo Regional Mobility Authority (Alamo RMA) I am proud to announce that we will be holding a Community Open House on the proposed US 281 and Loop 1604 Interchange, a project funded by the American Recovery and Reinvestment Act of 2009 and funding from Proposition 14 bonds on behalf of the State of Texas, on Tuesday, August 25, 2009. The Community Open House will allow attendees a chance to speak directly with project engineering staff and have their questions and concerns addressed in an open two way dialogue.

The Alamo RMA will have multiple stations at this Community Open House to help share information on the potential impact of this project, the proposed improvements, and to address questions and concerns raised by those in attendance.

We look forward to seeing you on August 25, 2009 for the Community Open House and would ask that you please encourage the neighborhood associations and community organizations you and your office works with to attend as well.
