Dear Ms. Brown:

A revised copy of the categorical exclusion and public meeting summary has been submitted to FHWA via electronic mail from the Alamo RMA. These revisions were based on FHWA and TxDOT comments sent to the Alamo RMA and discussed in a conference call held on February 23, 2010.

Your concurrence is requested that this project is a categorical exclusion. If you have any questions, please contact me or Vicki Crnich at 416-2515 or 416-3029, respectively.

Sincerely,

Stephen M. Ligon

Dear Ms. Brown:

Four copies of the revised categorical exclusion covering the above-described project are attached for your concurrent review and comment. Also attached are four copies of a comment and response report. The revisions are based on your comments sent to the Alamo RMA via electronic mail on October 14, 2009. Texas Parks and Wildlife coordination has not been completed and coordination with US Fish and Wildlife Service is ongoing. A public meeting for this project is scheduled for January 11, 2009.

Following completion of coordination and public involvement, the environmental document will be formally submitted for your concurrence. Please address any comments or questions you may have to Vicki Crnich at 512-416-3029.

Sincerely,

Stephen Ligon  
Environmental Affairs Division
